They do it for SATAN, the father of the LIE for some wants and needs. The ignorant will not judge to the TRUTH, the LIE is in their face all the time.
It is time to work with what you KNOW and stop listening to the UN-REPENTED who tells you NO with KNOW-JUDGEMENT. Serpent-

seed wonders why the ignorant are hesitant. Let us LOOK at the un-repented, but we never listen to the UN-REPENTED because their doctrine is before us, they LIE for wants and needs. The so-called truth tellers are un-knowingly shills for the SPIRIT-OF-KORE. They do not understand

GOD>The TRUTH-IN-ALL-THINGS, Know, they still believe man and parrot what the UN-REPENTED tell over the AIR-WAYS. They spread his lies to the ignorant as fear for wants and needs with know-judgement. You must look out for people parroting their truth with know-judgement; they are

infected with the SPIRIT-OF-KORE. They are a tool of SATAN, they parrot the LIE for wants and needs, they care not for their fellow human.
KORE has done this to black men as he has done to ALL-MEN that believe a LIE; tuned them into eugenicist, by aborting their babies and

vaccinating their kids and forcing vaccines on their fellow humans with know-judgement, by listening to the propaganda from the AIR-WAYS and teaching the young BULLSHIT. They are the perfect tool for SATAN. JESUS told the LIE believers to REPENT, and HE says we must be BORN-AGAIN.

The foolish that took the evil snake-bite, you have little time to not believe a LIE. Therefor REPENT you fool of all the bullshit you believe from MAN, Serpent-seed the tool of SATAN possessed by the SPIRIT-OF-KORE.

(tempo....<reason to morn – ben harper>....)

The SPIRIT-OF-BALAAM the other tool of SATAN. Balaam is a monster,

aborted by EVE the third born from EVE in KNOW-TIME. This is why #abortion is always in the MATRIX in KNOW-TIME. That LIE is stuck in the MATRIX for all to see in KNOW-TIME.
We KNOW the HOLY-TEXT and what LIE caused you to SIN.
#prepare-for-water

WE have to wait for OUR LEADER the FIRST and the LAST,
ABEL-is-JESUS. Keep hitting the ignorant with the DOCTRINE that KILLS the BULLSHIT.
